We had great weather, a professional officiant, good food, fantastic performers, overall in the grand scheme of things it was next to perfect. For future travelers, I highly recommend Unite Strangers.

Sunny Singh, Facebook Reviews

It was my first ever solo trip. Was lucky to have chosen this group over all the other groups flooding the social media. I had asked for an itenary, as I would do for anyother trip, but they said " we aren't a travel group". And I understood its meaning when I completed the trip.
